

Italy - Viet Nam Conference on Science and Technology

Dear Sir or Madam,

We would like to cordially invite you to attend the **Italy - Viet Nam Conference on Science and Technology - Results and Perspectives for Sustainable Development** which will be co-organised by the Ministry of Science and Technology (MOST) and Italian Embassy in Vietnam.

Date: Thursday, 6 May 2021

Time: 2:00 PM - 5:00 PM (Hanoi local time)

Venue:

- Hanoi: Ministry of Science and Technology, 113 Tran Duy Hung Street, Hanoi
- Italy-based speakers and others dial in via **Zoom**

The Conference will be in English and Vietnamese with simultaneous interpretation.

The aim of the Conference is to underline the long history of successful scientific and technological collaboration between the two countries, highlighting the important results achieved in the field of technological and social sciences, and their fruitful results in terms of technological and industrial applications. The Conference is also aiming at outlining the thematic areas and financing sources for the future development of scientific collaboration between the two countries.

During the meeting, the Volume "Innovations in Land, Water and Energy for Vietnam's Sustainable Development" published by Springer in December 2020, collecting 18 contributions co-authored by Vietnamese and Italian scientists will be presented.

Kind regards,

H.E. Antonio Alessandro

Ambassador of Italy to Vietnam

Assoc. Prof. Dr. Bui The Duy

Deputy Minister of Science and Technology
